Based Carrier Networks	)	

**RENEWED PETITION UNDER 37 C.F.R. 1.497(d)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This Renewed Petition is being filed in view of the decision dated March 31, 2008 regarding this application.

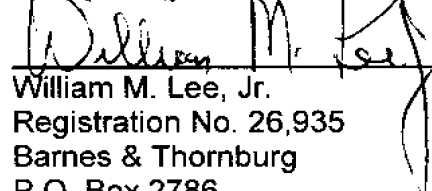

In that decision, the PCT legal Examiner has indicated that all requirements of 37 C.F.R. 1.497(d) have been satisfied with the alleged exception of item (3), the written consent of the Assignee. That was deemed deficient because, although a statement under 37 C.F.R. 3.73(b) was filed, the PCT legal Examiner found fault in that Power of Attorney that was on file at that time.

Submitted herewith is a new Power of Attorney for the application, executed by Mr. Hermele on behalf of the Assignee, Nortel Networks Limited. Mr. Hermele has full authority from Nortel Networks Limited to execute such documents on behalf of the company.

It is therefore submitted that all is in order, and the petition should now be granted. Further action by the Patent and Trademark Office is therefore awaiting.

April 21, 2008

Respectfully submitted,

William M. Lee, Jr.  
Registration No. 26,935
